2019 PAS Meeting: Workshop and SIG Submission Guidelines

Timeline:
- Call for Proposals: Oct. 3-Nov. 14, 2018
- Proposal Review and Selection: Nov. 16, 2018-Jan. 10, 2019
- Notification sent by email: Jan. 16, 2019

Workshops
The most successful workshops are highly interactive and address innovative ideas and learner-centered needs. Major criteria for workshop selection include:
1) A topic that is timely and important for the intended audience;
2) The innovativeness of the proposal;
3) Learning objectives that are clear and appropriate;
4) The skill and expertise of the leaders;
5) A format that is likely to be interactive and attractive for participants;
6) The appropriatenss of the topic to academic pediatricians and pediatricians-in-training.

While the format may vary, workshops should be designed to facilitate discussions between workshop leaders and participants. The workshop may include a short didactic presentation, but the overall intention of these sessions is to actively involve the attendees in the learning process. Workshop leaders and participants should be prepared to jointly dive into this cooperative venture! **The average workshop size is 30 to 50 participants.**

Workshop submissions are extremely competitive every year; on average, only about 28% of submissions are accepted. To maximize the diversity of topics and leaders, preference may be given to workshops that have not been presented in both of the past two years. We also encourage the development of workshops that appeal to more senior faculty as well as trainees. Workshops will be selected to maximize audience participation and ensure a broad diversity of topics.

Workshop Domains
- **Advocacy and Health Policy** - includes translation of research into public policy, and innovations in community pediatric issues.

- **Basic Science** - includes scientific methodologies/techniques (e.g. how they’re done/how to interpret results/implication for the literature); best practices for sample collection and processing (e.g. executing translational studies); omics: genomics, epigenomics, proteomics, metabolomics (e.g. high throughput platforms/web-based data bases/how to do a GWAS); career development in basic sciences (e.g. choosing a mentor/lab); and grant preparation/mock study section.

- **Clinical care** - includes clinical care process modules, clinical management of specific conditions, clinic or hospital management, etc.
• **Grant Preparation and Scholarly Activities** - includes fundamentals of the peer review process, expectations for scientific conduct for pediatric physician-scholars, and publication (manuscript preparation, peer review, submitting & writing in medical journals).

• **Pediatric Subspecialties** - includes new/emerging approaches, technologies, pathways, or tests to evaluate or treat subspecialty clinical conditions.

• **Professional Development** - includes leadership skills, career development (i.e. getting promoted as an academician, researcher or educator), mentorship, the business of academic medicine, balancing work and family issues, (in particular to women in medicine), and professionalism.

• **Quality Improvement** - includes quality improvement skills training, practice-based improvement, patient safety, quality improvement science and quality improvement education.

• **Research Methodology** - relevant to basic science, clinical, educational and health services research, including biostatistics, research design, ethics and special areas such as qualitative research, large datasets, translating research into practice. In addition, abstract preparation and presentation of scientific information, preparation and publication of manuscripts, grant writing and applying for research support.

• **Scholarship in Education** - includes critical literature review, principles of evidence-based medicine, adult learning theory, evaluation and curriculum development, creating teaching modules, teaching skills and use of educational training guidelines.

• **Technology Development** - includes information technology for use in education, research, patient care, administration, and social networking.

• **Core Curriculum for Fellows**

The PAS Program Committee is also specifically interested in providing a comprehensive core curriculum for fellows that addresses areas of academic development identified in the guidelines summarized in the American Board of Pediatrics guidelines for fellowship training [www.abp.org](http://www.abp.org). These workshops should be focused on skills and knowledge acquisition that are appropriate for individuals at the fellowship level of training. They should provide a foundation for those fellows who may not have had exposure to the topic, as well as those who wish to pursue a topic in greater depth in the future. It is intended that these themes be repeated each year and that all fellows will be provided a list of these workshops such that a curriculum can be created to complement education provided locally by that individual's fellowship training program. The topics of particular interest include:

- Achievement of proficiency in teaching
- Application of basic science techniques to translational research
- Clinical research methods and study design
- Critical literature review
- Ethical conduct in research
- Introduction to biostatistics
- Preparation of abstracts and brief scientific presentations
- Preparation of applications for grants
- Preparation of applications for institutional review boards
- Preparation of scientific manuscripts
- Principles of evidence-based medicine

Additional information about Workshops:
- [Examples of Workshop proposals](#)
- [Examples of Workshop agendas](#)
- [Examples of how to write learning objectives](#)
**Important Information Regarding Workshops at the PAS Meeting**

1. There will be no complimentary registrations offered for workshop leaders, co-leaders, or speakers. All participants must be registrants of the PAS Annual Meeting.

2. You will need to identify any speaker invited to your session who
   a. has no affiliation with the PAS meeting,
   b. would not be eligible for membership in any of the sponsoring societies,
   c. has no benefit or interest in attending the entire meeting, and
   d. will only be attending your session.

There is no single day or guest registration, so if your workshop is accepted, you will need to submit their information to PAS, along with a brief explanation about why they should be considered for a guest badge and confirming that they meet all of the above criteria. These requests will be reviewed and decisions made on a case by case basis. Speakers needing consideration of a guest badge must be submitted to PAS no less than one month prior to the meeting; no last minute accommodations will be made onsite and the speaker will be required to pay the full registration fee.

3. Workshop leader, co-leader, and speaker changes/additions after the submission deadline are **NOT** permitted due to ACCME® compliance issues.

4. Research and Workshops: If workshop leaders want to ask attendees to participate in research during the workshop there must be an IRB-approved protocol letter submitted to the PAS office with the workshop description for the program guide in February 2019. In the PAS Program guide the following language will be added: “This workshop has received IRB approval for participants to be asked to be subjects in a research study. Participating in the workshop doesn’t require an individual to participate as a subject in the research, nor does participating in this workshop imply consent to be a subject. A separate consent process either at the workshop and/or at the time of the research survey is required.” In addition, an announcement must be made during the workshop, and sign-in sheets must include information about the research study and whether signing the sign-in sheet is or is not considered consent to be a subject.

**Special Interest Groups (SIG)**

SIGs are informal sessions sponsored by the Academic Pediatric Association and are organized around specific areas of interest to academic and community pediatricians. Each session is planned by the SIG Chair and varies in format from informal discussions to guest speakers to research presentations. Length: 2-3 hours. [APA SIG Topics](#)

**How to submit a Workshop Proposal**

Log in to the [PAS Program and Events Center](#)

**NEW USERS:** Click "Create an Account" for all submissions to the PAS 2019 Meeting.

**RETURNING USERS:** Log in with your User ID and Password. If you have an account, but do not remember your login information, click **Forgot Password** above. You will receive an email with a link to change your password. If you do not receive an email, check to see if the email went to an alternate address or was blocked by spam filters. If you encounter further issues, please contact PAS at info@pasmeeting.org.

**Tips:** User IDs and Passwords are case-sensitive. Avoid creating multiple accounts with different emails for the same person.

**ACCESS THE SESSION PROPOSAL CENTER**

1. Select the **Session Proposal** tab in the horizontal bar above.
2. You may create a new Session Proposal or view draft or submitted Session Proposals you have made
here.
3. There are four steps in the process:

A. **Step 1: Content** – The title and description of the session, tracks, objectives, and other details
B. **Step 2: Participants** – Who is acting as leader or organizer of the session
C. **Step 3: Speakers** – Provide agenda details including the names of speakers, titles and length of their presentations. This replaces the agenda upload from past years—see explanation below.
D. **Step 4: Review and Submit** – Review all details to ensure accuracy and completeness.

Be sure to complete Steps 1-3 (detailed below) and hit the final “submit” button after Step 4.

---

**Proposal Submission Steps and Details**

**Step 1: Content**

**Audio Visual Guidelines**

A Complimentary Standard AV Package is provided in the **Convention Center** for Scholarly Sessions (excluding Meet the Professor and ISS), Platform, Poster Symposia, Workshop, SIG, Non-Sponsored Clubs, and approved Committee/Business Meetings. Standard AV Package includes: LCD projector, screen, laptop, and audio mics based on room. Example: **Small Session Room** = 1 lectern mic, 1 wireless mic; **Medium Room** with stage = 1 lectern mic, 2 wireless mic, 3-4 table mics, 1-2 floor mics; **Large Room** = 1 lectern mic, 2 wireless mics, 4 table mics, 3-4 floor mics; **Ballroom** = Custom. **NOTE**: Additional audio may be provided by PAS based on room size, room set, and presentation type.

**WORKSHOP AV DISCLAIMER**: Only standard equipment, as described above, will be supplied for each workshop. The PAS Meeting is unable to support costs for workshops with extraordinary and/or large equipment (simulation, oxygen tanks, patient beds, etc.) An Industry Sponsored Satellite Symposia is an option for presenting this type of workshop. Industry Sponsored Satellite Symposia guidelines are available [here](#).

**PLEASE NOTE**: If you intend to use any simulation/extraordinary equipment, it MUST be annotated below. Please contact Kaylinh Ly, Kaylinh.Ly@bcm.edu, with equipment specific questions, concerns, and/or clarification on expectations in the event your submission is accepted.

Please fill out the fields with information about your proposal. There is a 2,500-character limit for each field (title of proposal limited to 500 characters).

</thead>
<tbody>
<tr>
<td>We are interested in learning more about your experience, expertise, and enthusiasm for teaching this workshop. Please describe your experience or that of your co-presenter(s) related to this proposed workshop. (For example, I or my co-presenter have led or taught this workshop at a national or local meeting or have published in this area)</td>
<td>Describe your experience</td>
</tr>
<tr>
<td>Have you presented this or a similar Workshop at PAS in the past two years, and if so, which years? (Please note: To maximize the diversity of topics and leaders, preference may be given to workshops that have not been presented in both of the past two years.)</td>
<td>No; 2017; 2018; both 2017 and 2018</td>
</tr>
<tr>
<td>Workshops are intended to be small, interactive training seminars. What specific format/strategies do you intend to use to accomplish the above objectives (e.g. roundtable discussion, Q&amp;A, hands-on, problem-solving, videotape and conferencing, etc.)?</td>
<td>Review the AV Guidelines at the top of the page. List any special AV or set requirements needed (visual aids, staging, special props, etc.)</td>
</tr>
<tr>
<td>Provide any additional AV requirements</td>
<td>Flip Chart (quantity)</td>
</tr>
<tr>
<td>Do you intend to use any simulation or other extraordinary equipment for your workshop? (Yes; No)</td>
<td>Do you intend to use any simulation or other extraordinary equipment for your workshop? (Yes; No)</td>
</tr>
<tr>
<td>If “Yes”, please describe the type of equipment and whether it is owned by your institution or being loaned by a company. Please review the Workshop AV DISCLAIMER above for additional requirements,</td>
<td>If “Yes”, please describe the type of equipment and whether it is owned by your institution or being loaned by a company. Please review the Workshop AV DISCLAIMER above for additional requirements,</td>
</tr>
<tr>
<td>Do you need additional electricity outside of that being used for standard AV package?</td>
<td>Do you need additional electricity outside of that being used for standard AV package?</td>
</tr>
<tr>
<td>If yes, please explain what you will be powering in the room and how many devices will be used.</td>
<td>If yes, please explain what you will be powering in the room and how many devices will be used.</td>
</tr>
<tr>
<td>Would you be interested in having interactive audience polling/response capability in your session? Y/N</td>
<td>Would you be interested in having interactive audience polling/response capability in your session? Y/N</td>
</tr>
<tr>
<td>If yes, please provide more details about the functionality you are interested in.</td>
<td>If yes, please provide more details about the functionality you are interested in.</td>
</tr>
<tr>
<td>Note: non-selected workshops may be forwarded to an APA Special Interest Group (SIG) for possible inclusion in the SIG session at the meeting. If interested, please select ONE SIG to receive your workshop. If selected by a SIG, you will be notified directly by the SIG Chair.</td>
<td>Choose from dropdown list of SIG topics</td>
</tr>
</tbody>
</table>
Step 2: Participants
- Click +Add Participant button.
- Search for a person by entering first name, last name, or email address of Participant then click Search.
- If correct name appears, select +Add.
- If the correct name does not appear, click Create a Participant and enter all required fields. Click Submit Created Participant.
- Select or create the affiliated institution. If the institutional affiliation is not listed, create it by entering Name, City, State, and Country.
- Select the Role from the drop-down menu: see Role Types below.
- You may add more participants by repeating the same steps.
- Click Save and Continue once all Chairs/Contact Persons are added.

Role Types
Workshops: Please only list Workshop Leader or Workshop Co-leader in Step 2. New this year: Agendas will be entered in step 3 (see detailed instructions and examples below). All workshop speakers will be added in Step 3 as well.
SIGs: Please list names of SIG Chair(s) in Step 2 and speaker(s) in Step 3.

Step 3: Speakers (Required for Workshops, optional but preferred for SIGs (adding speakers here makes them searchable in the Program Guide and Mobile App)

Adding a Speaker to Session Proposal
- Click +Add Speaker button.

Title
- Enter Title of Speaker’s presentation (for workshops, this is the title of the segment of the workshop)

Add a Speaker
- The name of the person submitting the proposal is automatically loaded as the first Speaker (and each time you click to +Add Speaker).
- If the Speaker’s name that automatically populates the list is not correct for the intended segment, click Remove (and confirm) and then click +Add Speaker.
- Search for a person by entering first name, last name, or email address of speaker, then click Search. If that person is in the database, his/her name will be pulled up. Click +Add on the left side of the name.

Create a Speaker
- If the correct name does not appear, click Create a Speaker and enter all required information. Click Submit Created Speaker.
- Select or create the affiliated institution. If the institutional affiliation is not listed, create it by entering Name, City, State, and Country.

Duration of Presentation
- Click the circle button under the Presenter heading so the speaker will be uploaded into the session’s speaker list.
- Select the Duration of Presentation (from the drop-down menu) for each speaker before adding a new speaker.

- To add more speakers, click Save Created Speaker & Add Another.
- Repeat the steps until all speakers are added to the session.
- To rearrange the order of speakers, re-number the drop-down boxes next to each name then click Update Speaker Order.
Make sure the allocation of time is accurate for the 2-hour or 3-hour session you specified, including any Q&A periods at the end of the session (Q&A blocks must be added administratively.) See discussion under workshop agenda.

When all Speakers have been added for this session, click **Save & Continue**.
Workshop Agendas
This year, to facilitate searches for presenters in the Online Guide and Mobile App, the agenda will be entered
in the speaker portal. The separate topic or sections of the agenda should be treated as presentations with a
designated speaker and length of presentation for each one. See the examples below of how agenda formats
can be converted into speaker segments in the PPEC. If there is a small or large group discussion, assign it to
one of the workshop speakers. Treat discussion periods as an additional segment and assign a speaker to
facilitate the discussion, along with the duration of the discussion period. See examples below:

Educator Portfolios: Refining your portfolio to demonstrate the quality and impact of what you do as an educator (3 hrs)

Internal Working Agenda

Objectives:
1. Identify the content and uses of an educator portfolio (EP)
2. Use a standard template for documenting one's own educational activities
3. Describe the qualitative and quantitative components needed to fully document one's educational efforts and their impact
4. Analyze key sections of sample EPs and discuss the "value" of this information in the evaluation of educators at academic institutions

Step 4: Review and Submit

- A draft of all information entered for the session will be available to review and edit, if needed. If any information is missing, there will be a prompt to return to that section and complete it.
- You may save the proposal as a draft and finish it later. Review the information provided in the completed draft. When the draft has all the correct information in it, click Submit.
- You will receive email confirmation of the submission.
- Revisions can be made to all submitted Workshop proposals until the **submission deadline**: Wednesday, Nov. 14, 2018 11:59 pm ET.
- If changes must be made to the session proposal after submission, but before the deadline, return the session proposal to Draft status, make the necessary change(s), and Resubmit the session proposal prior to the deadline. If you do not resubmit a returned-to-draft session, it will not be considered for the PAS 2019 Meeting.

After Submitting Your Proposal

You should receive a confirmation email from the PAS Program and Events Center (PPEC) after you submit your proposal. Check your spam email if you don’t receive an email. Note that some institutions have firewalls that make it difficult to receive communications from the submission site. To ensure uninterrupted email delivery, please have your IT team whitelist the domains of amazonses.com and abstractcentral.com. You are encouraged to log on to the PPEC at any point in the process to check on your proposal and read any emails that have been sent.

Workshop and SIG notifications will be emailed on Jan. 16, 2019.

If you have questions regarding session proposals or the PAS 2019 Meeting program, please contact the PAS Office at info@pasmeeting.org or 346.980.9717.
